School Community Council Elections 2016-17

School Community Councils are elected parent/guardian and employee representatives who work together with the principal to increase student achievement. By law, the Council is responsible to review school data and assist in developing plans for school improvement. Councils also advise in the allocation of the Land Trust funds to assist the school in reaching goals.

We are in need of parent representatives to serve on the committee. Terms are two years. Committee members are elected during a general election unless there are fewer or equal nominations to the number of openings. School Community Council meetings are held the second Tuesday of each month excluding summer months and December. Meeting times will be determined by the Council at the first meeting in September.

Elections will be held over three days in August, from the 29th through the 31st. Back to School Night is August 30th.

Please become involved in our council by declaring your candidacy. You may return the bottom of this form to Shad DeMill or submit your declaration by email to shad.demill@canyonsdistrict.org. Declarations are due by Thursday, August 25, 2016.
